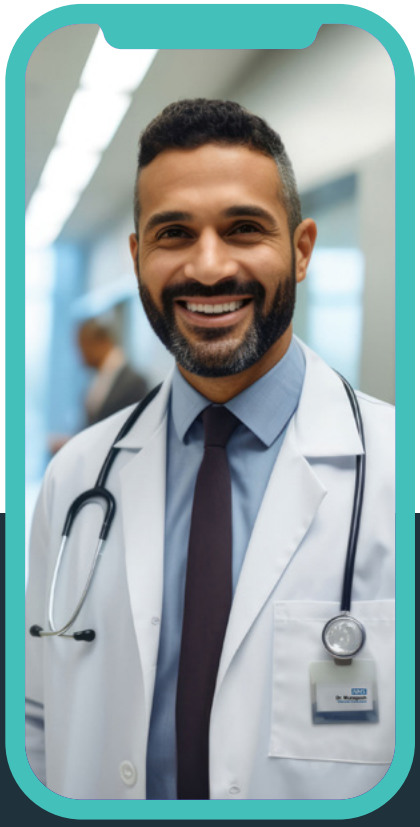
GP Anytime

Fast, 24/7 online booking service for virtual GP access.



GP Anytime is a virtual healthcare service that offers round-the-clock access to caring general practitioners (GPs) via phone or video chat. This service allows people to effortlessly schedule appointments, receive accurate diagnoses and valuable advice.

No more waiting weeks for a GP appointment*
With its 24/7 availability, it eliminates the need to wait for traditional GP appointments and offers a more convenient alternative by allowing users to consult with a doctor at any time, from anywhere.

Prescriptions delivered direct to door
GP Anytime includes home or office delivery of private prescriptions**, further simplifying the healthcare process for users.

A simple, straightforward way to access healthcare, and support wellbeing
GP Anytime provides our members with reliable, supportive and empathetic healthcare services. The platform ensures trustworthy medical advice by connecting members directly with GPs.
